

## Excluded Publishers

### JAMCOPY (Jamaica)

1. Editions of all works published outside of the mandating countries (JAMCOPY's bilateral partners)
2. Works published by rightsholders who have informed JAMCOPY that they do not want their publications copies under a JAMCOPY licence. Permission must be obtained directly from the copyright owner before copying from that work. Copying without permission is infringement of copyright. All works from such publishers are excluded unless otherwise noted.
3. Unpublished works including typescripts, originals of artistic works and photographic negatives.

### Access Copyright (Canada)

#### List of Excluded Categories of Works

The Exclusions List includes the following information:

- **Type of Exclusion** – indicates whether print (P) use is not allowed, digital (D) use is not allowed, or both (B) print and digital uses are not allowed

- **Change** – the values “New 2017” and “New 2018” indicate items that have been added to the list in those years.

The repertoire status of specific titles can be verified at <http://www.accesscopyright.ca/title-search-permissions/>

Access Copyright does not currently license reproduction from the following forms of publications:

- Publications containing a notice expressly prohibiting copying under licence from a reproduction rights organization
- Sheet Music
- Works published by Her Majesty the Queen in Right of Canada or any province or territory, other than the province of Quebec

The specific list of works is provided in a separate Excel file.
